

As one of the University's professional development providers the Waikato Centre for eLearning (WCEL) offer a range of staff development sessions. Pre-semester sessions are scheduled along with WCEL Workshop Wednesdays. Sessions focus on the use of blended learning and digital technology for teaching, learning, research and administration. Book via the Staff Professional Development webpage (www.waikato.ac.nz/pod/pd/) or contact us to organise group sessions for programmes or departments.

WCEL Workshop Wednesday Dates

WCEL Workshop Wednesdays are held twice a month from March to November. Each session focuses on an approach using various technology or a piece of technology. See online.waikato.ac.nz for details.

PG Cert in Tertiary Teaching Workshops

Development Unit (TDU) provides two eLearning workshops as part of the PG Certificate in Tertiary Teaching.

A beginners' guide to Blended Learning

19th February ~ 9am - 12pm

This is an introductory session, intended to model some practices you can later develop for yourselves. Principles of relevant pedagogy and assessment will be explored using a range of tools in Moodle and appropriate learning technologies.

Expanding your eLearning Horizons

19th February ~ 1pm - 4pm

Build on existing knowledge and experiences of both 'e' and 'learning'. Experiment with a range of tools intended to challenge your pedagogical and technological expertise.

Follow @wcel on Twitter or visit our website for information and updates on other events including our annual eLearning conference WCElfest2016 scheduled for Thursday 11th February as well as other special events.
